Nigeria Association of Computing Students (NACOS)

Dear Members/Comrades,

**NOTIFICATION OF CHANGE IN ASSOCIATION GENERAL NOMENCLATURE**

Season Greetings from the National Executive Council (NEC), Nigeria Association of Computing Students (NACOS) the umbrella body for all students studying computing related courses and the student arm of Nigeria Computer Society (NCS).

On 23rd December, 2020, the Nigeria Association of Computer Science Students (NACOSS) held a successful congress which was presided over by the National President. At the Congress, the association has accepted to abide and change its nomenclature from Nigeria Association of Computer Science Students (NACOSS) to **NIGERIA ASSOCIATION OF COMPUTING STUDENTS (NACOS)** as agreed upon with its parent body, Nigeria Computer Society (NCS).

The congress which was duly supervised by the Nigeria Computer Society (NCS) has come up with the following resolution to be adopted with immediate effect:

- Change of Name from Nigeria Association of Computer Science Students to **NIGERIA ASSOCIATION OF COMPUTING STUDENTS (NACOS)** effective immediately for all local chapters.
- The Association shall henceforth be the official association for all students studying **Computer Science, Computer Engineering, Information Systems, Cyber Security, Software Engineering and all IT related courses.**
- The Motto of the Association has officially been changed to **“TOWARDS ADVANCED COMPUTING.”**

**Towards Advanced Computing**

- The **Nigeria Association of Computing Students (NACOS)** now has a **New Official Logo** and no other logo shall be use to represent the association.
- The Chapters of the association shall not have a separate logo apart from the official logo of the association and can only be used as pair with the logo of the chapter institution.
- The **NEWLY AMENDED CONSTITUTION** of the association has been approved and adopted and will be made available to the general public via the official website of the association.
- All Official document created in the name of the association are encouraged to be changed as soon as possible
- All social media handles and website of the association are to be changed to the present nomenclature with immediate effect.
- All members of the association now have the right to use the suffix **MCS** (Member of Computing Students) after their individual names

**Please Note:** Failure to adhere to this memo shall be subject to Article XI, Section 49; Subsection III of the NACOS National Constitution which states that **“All local chapters of the association whom refuses to comply with directives from the National Body (e.g. The use of different name to represent the association, the use of different logo to represent the association aside the official logo etc.) and without a reasonable excuse to why such directives were not obeyed shall hence be sanctioned”**.

Further enquiries about the above should be duly sent to the National Secretariat.

Thank you for your understanding and wishing you a prosperous new year in advance.

ONE NACOS!!!

Sincerely,

Comr. Olamilekan Toyeeb ABOLADE **GCCS**  
(SMNCS, MIEE, MIAENG, MISOC, MSMART)
